

**The Colorado Theatre Guild Announces Nominations and Winners
for the 15th Annual Henry Awards**
15th Annual Celebration Honors Outstanding Achievements of Colorado's Theatre Community

The Colorado Theatre Guild's 15th Annual Henry Awards will take place online the evening of Sunday July 26th, 2020. Details of the ceremony will be forthcoming. Because of the Coronavirus Pandemic, this year's awards will be an online only event. Because of the shortened theatre season, and due to COVID-19, there will be no special awards or Lifetime Achievement Award this year.

A number of changes have been instituted this year. The list of Tier I companies has been expanded to include theatres whose budget is \$500,000 per year or greater. Only the technical categories are separated between Tier I and Tier II (Costume, Lighting, Scenic Design and Sound).

We have moved from seven nominations in each category to having five nominations in order to prepare for expanding the tiered categories in the next Henrys. Also, the tabulation calculation has been upgraded to include multiple levels of verification and authentication for greater accuracy.

We have implemented an automated process to simplify data entry. Three individuals oversaw the calculations including a member of the Henrys Committee, a CTG board member and the Henry's Coordinator.

Normally the Henrys Season runs from June 1 through May 31st of the following year. With the Pandemic this year, the Henrys Season closed on March 31. In the 2018-2019 season, judges saw 206 shows. Because of the shortened season judges saw only 157 shows for 2019-2020. About 40 shows were either cancelled or postponed across the state.

Established in 2006, the Henry Awards honor outstanding achievements during the past season and serves as the Colorado Theatre Guild's annual fundraising event. The awards are named for longtime local theatre producer Henry Lowenstein. Nominations are determined through a judging process conducted by more than 100 statewide peer professionals, academics/educators and other theatre lovers.

"Few people have had as much impact on theater in Denver — or the lives of theater people in Denver — as Henry Lowenstein, who ran Denver Post publisher Helen Bonfils' crown jewel on East Colfax and Elizabeth Street until the theater closed in 1986. He discovered new talent. He launched careers. He encouraged women and people of color. For hundreds of thousands of Coloradans, the Bonfils served as their first experience in live theater." - John Moore | Oct 07, 2014

Our nominees and winners for the 2019-2020 15th Annual Colorado Theatre Guild Henry Awards are:

Winners are listed in RED
